

## Falling in Love

Nothing is more practical than finding God, than falling in Love in a quite absolute, final way. What you are in love with, what seizes your imagination will affect everything. It will decide what will get you out of bed in the morning, what you do with your evenings, how you spend your weekends, what you read, whom you know, what breaks your heart, and what amazes you with joy and gratitude.

Fall in Love with God, stay in love, and it will decide everything.

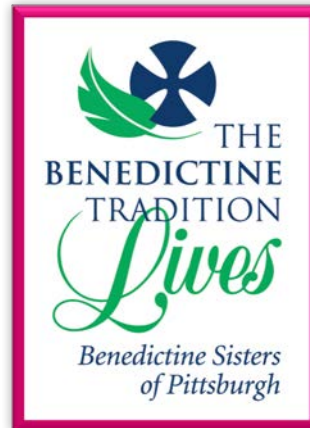

Pedro Arrupe, SJ

## Prayer

Prayer is a place of silence, not because it is untouched by all the activity and pain of life but because it is capable of wonder. Every prayer begins with silent wonder before it turns to words. Our first response to God is dumbstruck awe at who God is and what God has done for us.

Our hearts are restless until they rest in you.
